The Thames Valley Adventure Playground is a Registered Charity, providing an opportunity for children and adults with special needs, however profound, to enjoy the stimulation of all types of play in a safe environment. Each week around 200 children and adults with special needs visit the specially-designed 2½ acre site at Taplow, near Maidenhead in Berkshire. Among the indoor facilities on offer are a large Soft Play area with ball pool; a multi-sensory room, which offers the latest technology for both stimulating and relaxing people with special needs, arts and crafts, wood working, touch-screen computers and, of course, toys - lots & lots of them! Outside there is a wide range of robust equipment including wheelchair-accessible roundabouts and swings, slides, splash pool, sand pit and an aerial runway, as well as bicycles, tricycles and electric cars. Playground users - who come both as individuals and in groups from schools, day centres and residential units - are drawn from a wide area around the Thames Valley and beyond.

The Adventure Playground is delighted to have the support of Maidenhead Athletic Club. With running costs now in the region of £300,000 per annum, and only 5% of our income coming from Local Authority funding, the Playground relies heavily on such support and is most grateful to you for your contribution.

If your sponsors are happy for us to do this, please could they fill in their address and postcode and sign in the 'I wish my donation to be treated as a Gift Aid donation' box. Thank you.

- Please bring this form with you on the day, so that it can be signed off by MAC. It will be returned to you once you have completed the run.
- Any sponsorship cheques should be made payable to TVAP and sent to The Donations' Manager, Thames Valley Adventure Playground, Bath Road, Taplow, Maidenhead, SL6 0PR.
- For the purposes of reclaiming Gift Aid, the original signatures on this form constitute Gift Aid Declarations, so please could you send the original of this form in with your sponsorship. Many thanks.
